READY MIX

6 months and up

Crude Protein Content :
Not less than 16%

Product Highlights:

▪ SUPREMO READY MIX is fortified with Advanced Digestion Enhancer that breaks down phytic acid and bound minerals like Phosphorus, Calcium, Magnesium and Zinc. These minerals are necessary for optimum performance of gamebirds, thus enhancing conditional value of the Ready Mix.

Feeding Recommendation:

▪ Feed SUPREMO READY MIX MAINTENANCE FEEDS to gamebirds from 6 months old and at the rate of 35-40 grams 2 times a day.
